# DID YOU KNOW?

There were 62,536 vehicle collisions in Dade County in 2021. 19,397 of those accidents resulted in injuries. These resulted in 323 fatalities.

Being in an accident is stressful, and can bring a lot of unknowns. That's why it's important to have a great team beside you.

We specialize in supporting the citizens of Florida who have been affected by life-changing accidents and injuries.

With over $1 Billion in settlements and trial verdicts, we help our clients get fair compensation, and overcome the physical and emotional trauma of a car accident. Don't face this alone. We can help.

## Call 911

As soon as you are in the accident call authorities to get emergency assistance, and police reports on record.

## Seek Medical Attention

After a traumatic accident, it's imperative to seek medical attention immediately.

## Collect Evidence & Documents

After you are released from medical care, it's time to collect evidence from the incident. Collect photos, video recordings, eye-witness statements, police records, medical receipts, vehicle repair quotes, and any other records of what happened, and the subsequent consequences.

## Call an Attorney

Don't just settle for what the insurance offers you. Seek the expertise of a professional who is dedicated to helping you get the compensation that you deserve.
